MATHAROO ASSOCIATES

Gurjit Singh Matharoo
AHMEDABAD

Project in Focus: Log(ical)-eco Housing (*left*) consists of 25 villas in the heart of Ahmedabad's business district. "The attempt has been to adhere to simple strict geometry, a restrained palette of materials, and breaking of monotony through variation," says Matharoo. **Favourite**

Space: Ludwig Mies Van Der Rohe's pavilion in Barcelona: "The four walls, eight columns, flat roof, and two reflecting pools together create a continuum of an ever-changing experience," says Matharoo. matharooassociates.com
